To the Law Enforcement Camp:

You certainly made a lasting impression and I personally thank you for your efforts during that week to show us what the word "team" means.

That was the highlight of my summer and I appreciate how much you're team works to make it so. I also appreciate you accepting my application.

I am currently enrolled in Krav Maga, an Israeli Martial Arts class, and am applying to a FBI Internship next summer. I am also going to college in autumn of 2012 to major in computer science and minor in biology, for a career as an ERT (Evidence Response Team) in the FBI.

I again write my thanks for giving me this amazing opportunity and for all the work you've done, did, and will continue to do. God Bless!

Sincerely Thankful,
Bethany Pugh

KLEYC NEWSLETTER

This is a semi-annual newsletter, published in February and August/September of each year to keep counselors, instructors, former cadets and other interested persons aware of what is happening with our camp. Class of 2011 – "34 years of success, overall, we're the best!"

As the letter to the left indicates, we had a great group of students for the "Class of 2011". All 25 students that started the class graduated from the class!

During our week at the WSP Academy in Shelton, we were also able to observe the newest "Arming Class of WSP Cadets". These are cadets who are learning everything on the equipment belt, and are hoping to be troopers – eventually. It wasn't just our camp cadets who were in the PIT sometimes!

Because we had to turn down 17 qualified applicants this year due to a lack of space (i.e. bunks), we have worked with WSP staff to insure we will have more dormitory space in 2012, and have set the 2012 camp dates as July 8, 2012 – July 14, 2012. So, let your friends and interested high school juniors and seniors know about the camp now! The 2012 application form can be found on the WSP website: www.wsp.wa.gov - click on "Outreach" at the top and then "Kiwanis Youth Law Camp" on the left.

The Class of 2011 has started their own "Facebook" page, *Kiwanis Youth Law Enforcement Camp 2011* and are already keeping in touch with their classmates and working towards their future careers.

Where are they now? Keeping Track.

Some of the class of 2010 visit the 2011 class!
Kory Jefferson, Callie Guyant, Becky Lichty, Whitney Selness-Murdoch, Ben Kraft

Since the Bomb Squad was on a mission last year, and missed giving a presentation to the 2010 *Kiwanis Law Enforcement Youth Camp*, some 2010 students came up for the Bomb Squad class during the 2011 camp.

Kory Jefferson, in his Montesano Police Explorer uniform, is now in basic training for the National Guard, and will be attending Grays Harbor College in 2012.

Callie Guyant is in the U. S. Air Force and leaves for basic training November 22nd.

Becky Lichty – is studying to be a forensic nurse.

Whitney Selness-Murdoch -

Ben Kraft is currently a student at the University of Oregon, and participating in Army ROTC.

Meanwhile, Chloe Milliken, class of 2009 is now in basic training with the U.S. Army!

Drop us a line every now and then, and let us – the Board of Directors for the *Kiwanis Law Enforcement Youth Camp* know what you're up to! E-mail Jan Britt at: janiceleebritt@comcast.net

Some Comments from the Class of 2011

WSP Communications:

Dispatch is really important to all types of officers and is their lifeline. This class gave me details and info I had never heard before.

It was very neat to see what they do and how they do it.

Drive Course

That was so much fun!!! Thank you! I really appreciated it, ma'am.

Thank you. Thank you for taking your time to watching and instructing us. Thank you for jump starting the cars while we were eating. I loved having the experience to drive a police car on a real WSP training track. I have learned skills that I can use in my life daily.

Well presented and executed. No changes needed. This helped improve my driving

WSP Aviation

Learned how fun and interesting it is to follow a criminal and lead a trooper to catch him/her. WONDERFUL!

Let us take a ride in the plane?

Thanks for the best

Being a Chief of Police (COP)

Helpful advice and quotes. Did a wonderful job to hook us into his speech.

Being a chief seems like it would be a job that needs a lot of responsibility and worry about everyone rather than one person.

This is a very important aspect of law enforcement, because at some point you will receive a promotion at this class will help you.

FUNDING

Funding for the camp has traditionally been by local Kiwanis Clubs that “sponsor” a student by providing a \$500 scholarship to pay for the student’s expenses. As Kiwanians we know, it’s sometimes difficult for a club to raise and donate \$500. Donations from other clubs, businesses, and parents are also accepted. We are a 501c3 corporation, so all donations / sponsorships are tax deductible.
